

# CHORUS 605

## Product specification sheet

The Chorus 605 is the perfect loudspeaker for small rooms of approximately 160ft<sup>2</sup> (15m<sup>2</sup>). Producing responsive and dynamic bass as well as rich and clear midrange/treble, this speaker can be combined with a subwoofer for an extremely efficient audio system. Thanks to the built-in wall-mount, the Chorus 605 is ideal for surround sound with multi-channel installations.
